## Greetings SAS/AC Alumni!

### Alumni Spotlight

#### **ACHS PAST AND PRESENT - by Brendan Shortell '22**

On March 9th, the ACHS journalism class had the privileged opportunity to interview 13 successful alumni from Arlington Catholic. These volunteers ranged from scientists to athletes and journalists to business consultants. To prepare for this exciting opportunity AC students selected a graduate that they found matched with their interests or career goals. From there, students worked diligently to develop questions and accumulate research on their alumni.

On the day of the interview, students set up zoom meetings and met with their respective alumni. The zoom interviews ranged from 20-60 minutes. Senior Tommy Peterson shared “my experience was a great opportunity to learn more about the values that Arlington Catholic teaches each and every one of its students.” While all of the alumni did graduate from AC, they all went in different directions and provided different perspectives on their post high school experiences. In Jane Stephan’s interview with Abigail Husselbee (‘16), Abigail shared that “she liked a lot of her classes at AC, but felt particularly challenged by her science classes” helping her prepare for the success she has had. Hearing the stories and insight from these alumni, AC students left these interviews with valuable information that they can apply to the real world. With the insight of these alumni, AC students were able to glean wisdom and insights to better prepare themselves for college and beyond.

Arlington Catholic’s journalism class would like to thank each and every one of the alumni who volunteered their time to give back to our alma mater. Each one of the alumni represented the close knit community and core values that Arlington Catholic teaches each and every one of us.

### ACDC - GREASE!

ACDC put on two outstanding performances of "Grease" at the Regent Theatre. Thank you to the cast and crew for sharing their talents with our community. Everyone left smiling and singing! A very special thank you to Mrs. Billings for all of her hard work and dedication to ACDC. ROCK ON!!!

### WELLNESS DAY

Our very first Wellness Day was a huge success! The day featured everything from martial arts to music and arts therapy to financial fitness to photography to pet therapy to sports psychology and much more! Our dedicated Guidance Counselors did a phenomenal job organizing the day. Thank you to our keynote speaker Debbie Lyn Toomey and the nearly two dozen workshop presenters.

SAS/AC is incredibly grateful for the generosity of the Catholic Health Foundation of the RCAB which funded this day in its entirety and other wellness initiatives this academic year!
