Ms. Husselbee shared her path from AC to her current position as an environmental research lawyer at Harvard University. She also gave suggestions for student projects both in school and locally. Our students asked great questions after the presentation!

Thank you again to Ms. Husselbee for taking the time to talk with our students!

A CHRISTMAS YARN

The **Saint Agnes School Drama Club** performed “*A Christmas Yarn*” for their winter show! A fun twist on the classic “*A Christmas Carol*” this play tells the story of Sam Ebenezer – founder of Unique Gifts from Luxurious Yarns (U.G.L.Y.) – as his company struggles to fill a huge order the day before Christmas. With help from three mysterious visitors, Sam overcomes some ugly obstacles and is reminded of the beautiful news of Christmas.

CHRISTMAS GIFT DRIVE

A huge thank you to **Lilli O'Mahony '24** and **Savannah Correa '24** for organizing our AC Christmas Drive this year! We are so grateful for all who donated to support our efforts in making Christmas special for the teens of Arlington. The girls had to make several trips to collect all the donated items and the Arlington Boys and Girls Club was excited to receive more donations than was expected.

BLACK HISTORY MONTH GUEST SPEAKER

In honor of Black History Month, guest speaker **Cyndi Weekes Bradley** gave a talk to the 8th grade, Bridge, and 9th grade students entitled "*It's All About Humanity - See Me! Hear Me!*" The heart of her message was the importance of utilizing empathy, kindness, and compassion to recognize all of our shared humanity along with our differences. Each individual's worth and dignity as a person created in the image and likeness of God is central to Catholic identity and Arlington Catholic's mission as a community and institution. We're so glad that Cyndi took the time to share her insights on this topic with our students and hope that it will inspire them to continue to act justly, love tenderly, and walk humbly!

THANKSGIVING FOOD DRIVE

Our Interact Club and Arlington Rotary worked together to prepare and serve Thanksgiving dinner at the Salvation Army in Cambridge. Thank you to Mrs. Kiernan and Mrs. Simmons for leading this great club!

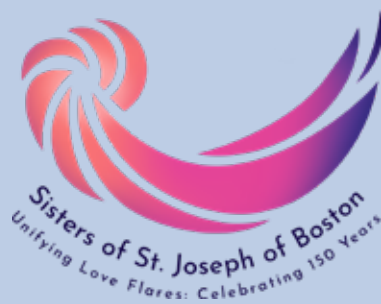

SISTERS OF ST. JOSEPH OF BOSTON

150 years in
Boston
1873 - 2023

St. Agnes
School 1888

Arlington Catholic
High School 1960

The theme that the Sisters of St. Joseph of Boston have chosen for the 150th Anniversary of arriving in Boston is Unifying Love Flares...! What does this mean? This past summer the sisters began considering how the Sisters of St. Joseph of Boston will celebrate 150 years of presence and service among the “dear neighbor.” Our growth is about so much more than dates or buildings. It’s about responding with courage in impossible situations, witnessing in challenging

times, standing with the marginalized in the struggle for justice — and doing all with a contemplative spirit which gave birth to a new form of religious life that continues to evolve as the future unfolds. Therefore, our 150 years in Boston are a celebration of and for all of us: sisters and partners in mission. We celebrate founders whose original impulse of unifying love brings us to this day as well as those who continue this impulse as it flares among and beyond us.

The Sisters of St. Joseph of Boston at one time staffed 101 schools in the Archdiocese of Boston, four schools in California and New Mexico and one mission school in Peru. Education continues to permeate the mission of unifying love. Today Sisters continue the work of education in schools, parishes, retreat centers, prisons, and communities. The sisters’ call to minister to the “dear neighbor” is alive and well in 2023!

WELLNESS DAY 2022

Our inaugural Wellness Day took place in March 2022. More than 700 students on our campus took part in this day, organized and executed by the SAS/AC Guidance Department.

WELLNESS DAY 2023

Our second annual Wellness Day, held on March 31, 2023 welcomed more than 30 outside speakers and presenters with topics ranging from financial wellness and literacy to kick boxing, knitting, art therapy, petting zoos and a visit from Mass Audubon Society, among others! This program is generously supported by Catholic Health Foundation | of the Roman Catholic Archdiocese of Boston.

GUEST SPEAKER

At this year's Wellness Day, our students had the pleasure of hearing from Boston Marathon Bombing Survivor Roseann Sdoia. She shared her story as a survivor, the community she's found amongst fellow amputees, why she feels it's important to embrace what makes us different, and how her amputation has actually brought a lot of humor to her daily life.

Our students presented Roseann with a bouquet of flowers and informed her that a donation was made in her honor to the Challenged Athletes Foundation.

We are grateful to the Catholic Health Foundation of the Roman Catholic Archdiocese of Boston whose generous grant support allows for this 2nd annual Wellness Day for more than 700 students on our campus.

Pictured with Roseann Sdoia are Jason Karangekis - Development Associate at Catholic Health Foundation of Greater Boston, Lynne Sullivan - Executive Director of Catholic Health Foundation of Greater Boston, and AC Guidance Staff Michelle Secor and Janet Delude.

CAMPUS MINISTRY

FRESHMEN RETREATS

This past fall, our freshmen took part in retreats as part of our campus ministry program. These retreats are designed to provide opportunities for self-reflection and community building to support our freshmen as they continue to discover their place at AC. Between large group games and small group conversations, our freshmen sought to develop meaningful connections with upperclassman retreat leaders and with one another. The retreat concluded with a communal prayer where Students entrusted their petitions to God since God's love is ultimately what binds our AC community together.

SOPHOMORE RETREAT

This spring, our sophomores participated in a retreat called Apostle. By following the footsteps of St. Paul the Apostle, the goal of this retreat was to provide students the chance to witness how an encounter with Christ holds the power to change our lives by freeing us to become who we are created to be: men and women sent by God to change the world with love. Through games, talks, small groups, and more, sophomores reflected on who they are, who they want to become, and what it would take to get there. Please continue to keep our sophomores in your prayers.

MEET OLIVIA DOOLEY

How are you enjoying your new job as AC's Director of Campus Ministry? I feel so fortunate to be able to say that I genuinely look forward to going into work every day. I really enjoy getting to know the students as their Campus Minister. It offers me a unique opportunity to form relationships with them that goes beyond their academic success in the classroom. Now I get to know them in a deeper way, and I get to support them in their discovery of faith and personal identity.

Do you enjoy teaching your classes? What courses are you teaching this Year? I have the privilege of teaching two freshman sections of theology. We spend the first half of the year exploring who Christ is and what He did for us. For the second half of the year, we focus on the Old Testament of Sacred Scripture.

What are some of your goals for Campus Ministry? A good friend of mine once summarized the purpose of life and being "to grow in one's capacity to love." I want Campus Ministry to be a "school of love" if you will, a community where students learn how to love one another and how to love God. Whether students are reading at mass, attending retreats, serving the community in some capacity, or spending quality time with one another, I want them to experience a sense of love and belonging. My hope is to continue to create programs that reflect the mission of bringing students closer to Christ to be transformed by the love that He has for each one of them.

Have you had a favorite Campus Ministry school event this year? I would have to say my favorite Campus Ministry event has been the freshman retreats. It was such a blast to see new members of our AC community come out of their shells and get to know one another. The games were high-energy and it was great to come together in prayer at the end.

When you are not in ministry, what are some of your hobbies? I really enjoy reading, writing, playing the guitar, and hanging out with friends and family! Nothing makes me happier than a good cup of iced coffee and great conversations with great people.

What advice would you give to young people to grow in their faith? My advice to young people is pretty simple –be honest. Be honest with yourself, with others, and especially with God. I think so many young people drain their energy trying to be somebody they're not, or to convince themselves that everything is okay when it's not. I think growing in faith requires us to be honest and vulnerable. When I am honest with myself and others about things not being okay, it's in those moments and conversations that I encounter God's presence the most.

ATHLETICS

BOYS ICE HOCKEY

In Spring 2022, **Curt Colarullo '97** was named the Boys Varsity Ice Hockey Head Coach. Colarullo took over for longtime head coach, Dan Shine, who retired from coaching after 44 years. A proud Arlington Catholic graduate, Colarullo had a successful history on the ice as a player, mentor, and coach. He was a contributing player on AC's 1997 Division 1A Super Eight Championship team and went on to play hockey at Nichols College. For more than a decade, he has served as a high school ice hockey coach, most recently leading the Division 1 program at Lexington High School.

In his inaugural season, Colarullo led the Cougars to a 9-8-2 record, earning a spot in the MIAA Division 1 Tournament. In the Round of 32, the Cougars upset No. 8 BC High with a thrilling 3-2 victory. The Cougars advanced to the Round of 16, where they fought hard but eventually fell to a strong Saint John's High School team.

Congratulations to Coach Colarullo and these young men on an outstanding season!

HINTLIAN FIELD DEDICATION

On Sunday, October 30, 2022 the Hintlian family and their friends gathered with administrators and student athletes to formally dedicate and bless the Kathleen A. Hintlian Athletic Field on Summer Street. We are extremely grateful for the generosity of Ken Hintlian and his family for this transformational gift to Saint Agnes School/Arlington Catholic HS. Ken is the father of graduates Christine '07, Susan '09, Marianne '11 and David '13. This gift has transformed the field, and we offer our sincere gratitude for this generous gift and the Hintlian family's dedication to our School.

MESSAGE FROM FATHER MARC BISHOP ON THE PRESIDENT SEARCH

Hello to all our Saint Agnes/Arlington Catholic Community:

As Pastor and Head of School, I have thoroughly enjoyed my experience these past three years. At this time, the demands needed to meet the growth of our School as well as the time commitment to our Catholic Parishes of Arlington necessitate additional support to ensure the School's growth and success. As a result, we have secured the services of Partners in Mission, a full-service consulting and professional education firm focused exclusively on developing excellence in Catholic school advancement and leadership to help us in this endeavor.

With the help of Partners in Mission we will transition to a President-Principal administrative model. In this increasingly popular structure, the Principal reports to the President and serves as the day-to-day leader of academic operations including all aspects of the student experience – from the classroom to the playing fields, to faith formation and extracurricular programming. The Office of the President has as its primary purpose to provide broad leadership for the Saint Agnes/Arlington Catholic school community to achieve the fullest realization of its Catholic mission. The President, in collaboration with the Principal and respective division leaders, is equally responsible for the successful overall operation of the school through effective delegation of responsibilities to the administrative team, faculty, and staff.

The President is appointed by and reports directly to the Pastor of Saint Agnes Parish. In conjunction with

the Pastor, the President serves as the chief advancement and strategic officer while leading constituents and stakeholders in implementing the Pastor's vision for the school. In doing so, the President serves as a public face of the AC community and is directly responsible for its external affairs, for ensuring sufficient resources, sound fiscal management, and financial stability through direct oversight of the business operations. The President is supported by a highly-skilled senior leadership team and will play an active role in overseeing the school's alumni and community relations, advancement initiatives, enrollment management activities, and facilities and infrastructure needs.

I will no longer be the Head of School but will continue in my role as Pastor and will be actively working with the President, Principal and the Administrative Team. There will be no change in personnel other than transitioning to this President-Principal model.

The process has begun to choose a President and I will be facilitating this initiative. Our goal is to have a President for Summer 2023. Thank you all for your continued support. I ask for your prayers to assist in this venture and assure you of your remembrance in my daily prayers.

God Bless,
Very Rev. Marc J. Bishop, V.F.

We began the process with Partners in Mission in fall 2022 and as we go to press on Fidelitas, the process is still ongoing.

YOU MAKE THE DIFFERENCE AT SAS/AC!

MESSAGE FROM SR. BARBARA, ALUMNI RELATIONS AMBASSADOR

Alumni Relations Ambassador – Year Two

As I think about my second year in the role as Alumni Relations Ambassador, I am proud to offer the following reflections. I am presently in my thirtieth year ministering at Arlington Catholic. For twenty-eight years I served as the Campus Minister and Theology teacher. I have loved every minute of my time working with students and staff sharing God's message of love to all. I was asked to assume a new role working with Alums as part of the Development team. My primary work is to be a welcoming presence to Alums and present students, parents, and staff. I love making connections with Alums many of whom are past students. I try to be aware of Alums losses (deaths, etc.) as well as good news stories of proud accomplishments of graduates of St. Agnes

School and Arlington Catholic. I write notes of condolences, thank you notes, and holiday greetings.

I connect with Alums when classes want to plan gatherings or Reunions. As the last Sister of St. Joseph working at Arlington Catholic, I stand on the shoulders of all of the Sisters who have ministered at St. Agnes and Arlington Catholic. What a privilege it is for me to carry on this great tradition of serving the "dear neighbor" and helping to create unity and reconciliation for all!

In 2023, the Sisters of St. Joseph of Boston celebrate 150 years of presence in Boston. I look forward to working with you in any way to continue to foster relationships with Alums. Feel free to contact me at any time a sbarbara@achs.net. God's blessings to all!

ORAL HISTORY PROJECT

By now, all graduates should have received information about a year-long Oral History Project remembering your experiences at St. Agnes School and Arlington Catholic High School. We encourage your participation! We have already heard from 889 alumni and captured 530 stories.

CLASS NOTES

CLASS OF '70

Bob and Terrie (Frissore) Vincent write: "The Class of 1970's 50th reunion was canceled due to Covid in 2020. Instead, since most of the class is 70 this year, we held a 70th birthday party with balloons and birthday cake at a luncheon on May 25th at the Woburn Country Club. Classmates enjoyed a slideshow of hundreds of pictures from our high school years and past reunions which ran continually throughout the luncheon. We also remembered each of the 23 classmates who have passed with a collective moment of silence. Janet Spellman presented a plaque of recognition of our class from Governor Baker. Kathy Scully Puccia announced a Class of 1970 Scholarship which will hopefully grow and be awarded each year to an incoming freshman. Those classmates and spouses who wanted to continue the fun were welcomed to the home of Bob and Terrie Vincent for the after party."

CLASS OF '72

Robert Boeri was honored at the Gulf of Maine Council on the Marine Environment 2022 Awards Ceremony for his exceptional work to protect and enhance environmental quality in the Gulf of Maine. The Massachusetts Office of Coastal Zone Management's Bob Boeri received the prestigious Susan Snow-Cotter Leadership Award for his dedication to the coastal profession. Since joining CZM, Bob

has served as Dredge Coordinator, Project Review Coordinator, and Acting Assistant Director. His leadership skills and expertise allow him to bring the right people to the table to work together for effective solutions.

Bob Lynch was one of four winners (2 Super Bowl tickets and 4 hotel nights in Los Angeles) on the SiriusXM's Super Bowl LVI Trivia Contest on "Mad Dog Unleashed," Channel 82! Bob had the following to say about the experience: "It was a hard contest (4 questions, the last one was identifying the speaker in a short audio) and it reminded me of studying and taking a college final exam every day for a week. When you get on the radio, you go on the clock with Christopher "Mad Dog" Russo. My son, Brian, (college Junior at UMBC) helped me immeasurably and deserved to attend the game with me. The Super Bowl was also on my Birthday. To say the least, this was the trip/birthday of a lifetime."

CLASS OF '79

Patty Mazure writes: "Three class clowns at one wedding - **Katelyn Boyle '15, Patty (Lyons) Mazure '79, Phil Gaspar '05.**"
