Alumni Spotlight: Ed McDonald '08

Social Studies teacher, John Barry, has been teaching his entrepreneurship class about starting new businesses. We were privileged to invite Ed McDonald '08 to visit the class and discuss his business, McDonald Contracting. Ed shared about the blessings and challenges of opening his own business. It was particularly challenging for Ed to keep his business going during the pandemic. As he stated, bills had to be paid and workers needed to receive paychecks. Ed emphasized the importance of following your dreams and taking risks. We thank Ed for his time and his loyalty to Arlington Catholic.
