NEW STAFF

Announcing two exciting new additions to the SAS/AC Staff!

MEET

Lisa Hickey Simmons '96

Lisa Hickey Simmons '96 joins the SAS/AC team as Director of Communications. Lisa is a graduate of Roger Williams University and Emerson College. She spent 20 years working as an Emmy award winning producer at WCVB Channel 5, and most recently was Director of Communications at Fontbonne Academy. She is married to David Simmons (SAS '90 and AC '94) and has four children, all of whom have attended SAS! She is part of a large legacy family that is very devoted to SAS/AC. Lisa looks forward to connecting our community with all of the exciting things that happen in our school!

Welcome home, Lisa! You may reach Lisa directly at lsimmons@achs.net

Sister Barbara McHugh

Sister Barbara McHugh joins the

development team as Alumni Relations Ambassador after spending 28 years as a valued Theology teacher and Campus Minister at AC. In her new role, Sister Barbara looks forward to creating connections between students and our alumni community, staying engaged with alumni to connect them to the School, and connecting our broader community back to the Sisters of St. Joseph. Sister Barbara resides in Brighton at the Motherhouse of the Sisters of St. Joseph.

Some of her favorite AC memories include: opening

minds and hearts of students in the classroom, attending sporting and drama events, celebrating her 25th Anniversary at AC with a Mass and luncheon with family and friends on the Feast of St. Joseph, and the loving support of students, faculty and staff during two bouts of cancer. We are thrilled that Sister Barbara has taken on this new and important role in our development office!

You may reach Sister Barbara directly at sbarbara@achs.net or 781-648-5384. She looks forward to hearing from alumni!

UPDATE

Great news! Since beginning the Barton Challenge last fall, we have more than \$75,000 in committed planned gifts. The Barton Challenge has been extended to June 30, 2022 through the generosity of Larry Barton and Eliza Alden-Barton. Please contact Erica Ribeiro if you are interested in joining the Legacy Society and learning more about planned giving.

PAYING IT FORWARD

Larry Barton, SAS '70, ACHS '74

I have a challenge for you. Please read on.

How many of us benefitted from the education received at SAS/ACHS? Wherever your family and career has taken you, the teachers, classmates and spiritual impact of the institution is often hard to define in words—but we know it is there.

In my case, I was almost kicked out of Arlington Catholic after my freshman year due to poor grades, but one gifted teacher, Sister (Sylvarius) Ruth Elizabeth, spoke up at a faculty meeting and said: “I know this boy’s family and his brothers that went here. Let me work with him over the summer.”

She did, and her daily tutoring permanently changed my life and especially my appreciation for learning.

For others, it may have been your athletic director, or a teacher in foreign languages, the sciences, or English—for example, how many of us were inspired by Mr. Murray and his remarkable breadth of knowledge that ranged from Homer to Shakespeare? In addition to the impact of learning, the memories we accrued, from proms to stage plays on a (temporary!) stage, from cheerleading to social justice efforts outside of school—these efforts fundamentally lifted us.

While our alma mater enjoys robust enrollment today, it remains a not-for-profit institution that lacks a true endowment. This is something we

can fundamentally change without any major change to our lifestyle or finances. In doing so, you can give back and actively support Arlington Catholic’s unique mission for generations to come.

How many of us have a life insurance policy? Most of us. By simply adding your school as a beneficiary, you will help ensure that your alma mater is here to serve generations to come. My wife and I recently did this and I have a basic ask: will you join us? If so, we have a challenge for you to consider, outlined below.

You could designate that certain stocks, or a portion of our IRA go to the institution now or upon our death. While many peer institutions have smartly communicated this over the years and now have the flexibility to power through times of crisis, ours has been left vulnerable. We can do this with your help.

Regardless of the size of these and other assets, you can designate a percentage of your assets upon your passing to SAS/ACHS—and it is an incredibly easy process. This simple change to SAS/ACHS as a beneficiary can be done online with most policies and institutions—and you can restrict the donation for academics, sports, for theatre arts, or a general gift to honor your parents or someone else. You can also make the designation unrestricted, allowing the Parish to determine where the proceeds can be best used.

Whatever you decide, you are making a profound difference. The Development Office can discreetly answer any questions you may have.

Just imagine this: the first graduates of ACHS are now in their mid to late seventies. Actuaries tell us that their life span is vibrant, but in the next twenty years, many of us will pass. Rather than deferring decisions and saying: “I’ll do something later in life,” do you really want to play roulette and leave it to the courts and strangers to determine how your assets will be distributed? Making decisions now brings clarity to the process, reduces family disagreement and demonstrates your commitment to Catholic education.

You may be asking...what can be donated to SAS/ACHS?

Just think about your assets, including life insurance. You can obtain a designation form provided by your plan custodian if a retirement or stock/savings plan is involved. Life insurance represents one of the most powerful tools used by educational institutions; almost all of us have some policy in force, and a change in beneficiaries done now helps you receive recognition while you are alive as part of our newly formed Legacy Society.

These are challenging times for all and asking for money is never easy or pleasant—but it is a necessity if we are to ensure that scholarships, the future hiring of exceptional teachers and the growth of SAS/ACHS remains assured, not a hope. Thank you for considering joining The Legacy Society!

Larry Barton was a prize winning orator and worked at The Arlington Advocate while attending ACHS. He went onto become a faculty member of Harvard Business School and Penn State and later became the President of three colleges and universities. Larry is the author of five bestselling books and was inducted into the ACHS Hall of Fame in 2013. More information on his career after ACHS is available at Wikipedia: Larry Barton

OUR CHALLENGE: Raise \$500,000 in Deferred Giving. Can You Help?

Larry Barton and his wife Eliza have made a deferred gift of \$100,000 from a life insurance policy. He and his wife Eliza have generously agreed to match the next \$400,000 donated by our alumni and friends in calendar 2021 so we achieve at least an initial one million dollar deferred endowment this year!

Will you help us? We must raise \$500,000 in new commitments. In just the past few months, several alumni have agreed to participate by making deferred gifts. Many wish to be anonymous. We are grateful for their participation in helping us launch this initiative.

When you make a change to beneficiaries and include SAS/ACHS, just inform the Development Office at the school so you can be recognized on a special plaque that will be showcased in the Monsignor Linnehan Library. Later this year we will also be continually updating the list of Legacy Society donors on the SAS/ACHS Giving web site.

How can you make this simple pledge?

You can also modify your will, indicating a specific dollar amount, with wording such as:

“I hereby give, devise and bequeath [Bequest Amount] to Saint Agnes School/ Arlington Catholic High School, a non-profit organization located at 16 Medford Street, Arlington MA 02476, Federal Tax ID number is: 453-675-090, the sum of \$25,000 from my life insurance policy with (e.g., John Hancock, SBLI, MassMutual or my IRA) for The School’s general purposes (or for the athletic program, arts program, or other specific choices).”

YOU MAKE THE DIFFERENCE AT SAS/AC!

It is with deep gratitude that we thank all of you who supported SAS/AC this year. Because of your support and that of fellow alumni, parents, grandparents, faculty, staff, friends and foundations, we endured a year unlike any other, and triumphed!

We are pleased to report that we raised more than \$400,000 in support of our School and community, and are deeply indebted to you all for your loyalty and support. The care and compassion you demonstrate through your giving make a lasting and life-changing impact.

You support a daily experience for more than 700 students on our campus on Medford Street and allow us to educate the whole person; academically and spiritually, to grow into adults who will enter the world prepared to do good and make an impact on their communities.

Thank you for your warm and generous partnership with us this year!

With deep appreciation,

ED Ribeiro

CLASS OF '65

Since retiring from public service in California in 2004, **Nancy Fowler** focused on, among other things, writing poetry, and has had some success in publication. However, a highlight occurred on June 19, 2021 when one of her poems was revealed to be one of seven displayed throughout the outdoor sculpture garden at the Port Angeles (WA) Fine Arts Center. There was a lovely and enthusiastic reception at the center to introduce the poets and their work. But her greatest thrill was to be able to brag to my grandchildren how “cool” she was because on the plaque is a QR code on which an interested listener can hear me read the poem.

Eileen Callahan-Bredice: When the pandemic hit in March of 2020 our group of AC grads decided to create a standing Google Meet. We now meet once a month! To spice things up we have been celebrating each one's birthday with AC trivia. The fun has left us laughing and reminiscing about our high school days. Many of the trivia answers were found in our yearbook. It was fun to watch each person flip through the yearbook looking at pictures to answer questions such as “What color was _____'s senior year prom dress?” or “What number was _____'s senior year prom dress?”
