## Can we count on you to support this year's Annual Fund?

Embarking on a career in Catholic education takes a certain level of commitment and willingness to share faith-based values, and we are blessed and grateful to more than 100 talented adults who make up our teaching and staff community. These adults, day in and day out, nourish

and sustain our community of learners. It is those who give of themselves each day in benefit of our students who truly epitomize what it means to embody community.

You can help foster community, too! Will you make a gift in any amount to Saint Agnes/Arlington Catholic High School before the end of the school year? Your generosity will help us employ the best and brightest faculty and staff, helping students become the best versions of themselves.

Thank you for your support of our students and community!
