High School

## Greetings SAS/AC Alumni!

### Oral History Project

By now, all graduates should have received information about a year-long Oral History Project remembering your experiences at St. Agnes School and Arlington Catholic High School. You will be receiving additional information from our partner, PCI. We encourage your participation! We have already heard from 363 alumni and captured 182 stories.

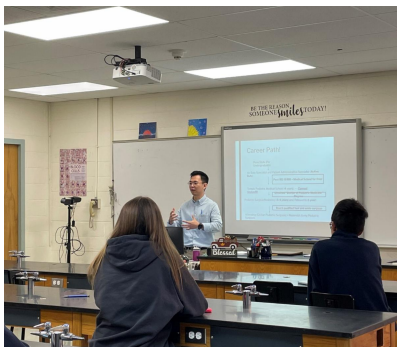

#### **A few things to note about the project:**

- The company compiling this project underwrites, so there is **NO COST** to the school. We do not make any money from the sale of the book. You are under no obligation to purchase the book.
- Alumni share their St. Agnes and Arlington Catholic Cougar stories on an interview-style call
- The company compiling this project records and transcribes stories for the school. It is a way for us to preserve some of the great history of the school.

Please **[CLICK HERE](#)** to read a letter from Sister Barbara McHugh, our Alumni Relations Ambassador, detailing more about this exciting project.

Please let us know if you have any questions!

### Alumni Spotlight: Aj Chun '12

Our Health Professions Club welcomed Aj Chun '12, a fourth year medical student at Temple University School of Podiatric Medicine. Aj spoke about his path to medical school and how he discovered his passion for podiatry while serving in the army. He encouraged students to not limit themselves and to follow their passions. Thank you to Aj for sharing his experience and insights with our students!
